

# **Boundless Public License**

## **DO WHAT THOU WILT**

### **TO PUBLIC LICENSE**

Version 2.55

Everyone is permitted to copy and distribute verbatim or modified copies of this license document, and changing in full or in part is allowed without any restrictions.

#### TERMS AND CONDITIONS FOR COPYING, DISTRIBUTION AND MODIFICATION

0. Do what thou wilt shall be the whole of the Law.

DWTWL – a license with a single requirement: DO WHAT THOU WILT

The license provides more freedom than any other one (such as GPL or BSD) and does not require saving the license text on copying.

DWTWL – an accomplished and eligible license for free text, code and any other symbols (including the software, documentation and artwork).

The license does not contain a "no warranty" clause. DWTWL can be used in countries that do not legally acknowledge the transition to public domain.

#### Summary:

An author-creator gives their source code to the world for free, without becoming distracted by worldly thinking regarding how and why the others will use it.
